

FREE MONEY !!!

No, it's NOT a government "giveaway" ...

NOT a charity "handout" ...

NOT "throwing money" at a problem...

It's YOUR Congregation's generosity **PUT BACK TO WORK**
in your own community ...to help people
who want to help themselves.

It's "SDOP"— Self-Development of People, a part of
your Church's "One Great Hour of Sharing" (Easter) Offering,
that **COMES BACK** to your area to help people who want to work
together toward self-sufficiency, dignity and progress.

It's not available to your Church to use in local mission.

It IS available to local groups of people who themselves

- Are living in poverty, or are economically disadvantaged
- Have a plan to help themselves and others rise from poverty
- Are willing to work together to create change

**SDOP makes grants to local and area groups to
develop programs and projects**

- That they themselves create
- That they will govern and direct
- That will help them and others like them to overcome poverty,
economic oppression, or social disadvantage.

YOU and Your CHURCH can further SDOP's ministry
by "getting the word out" to community groups or alliances in your
area that demonstrate their need for a grant. Encourage them to
contact Salem Presbytery SDOP Committee, P. O. Box 1763,
Clemmons, NC 27012 for details, criteria and application forms.

HELP SPREAD THE WORD!!!
