SPECIFICATIONS REGARDING THE POSITION OF PARISH ASSOCIATE

Book of Order G-14.0515

A parish associate is a minister who serves in some validated ministry other than the local parish, or is retired, but who wishes to maintain a relationship with a particular church or churches in keeping with ordination to the ministry of the Word and Sacrament. Such persons, already qualified as continuing members of presbytery, may serve as parish associates. The relation shall be established, upon nomination by the pastor, between the parish associate, the session, and the presbytery. The parish associate shall be responsible to the pastor, as head of staff, on an “as needed, as available” basis and with or without remuneration.

The designation of parish associate shall be made under the supervision of the Committee on Ministry at the request of the session of a particular church, the consent of the parish associate, and the approval of the presbytery. No formal call shall be involved. The presbytery must approve any change in relationship. Ordinarily no more than one parish associate will be related to a particular church.

The Committee on Ministry shall review the designation once each year to insure:

- a. That the time and energy required as a parish associate will not interfere unduly with the work of the person in his or her principal function.
- b. That installed leadership of the particular church is protected in its effective functioning.
- c. That the parish associate continues to meet the criteria for continuing membership in the presbytery based on other than this relationship to a particular church.

The agreement between the session and the parish associate shall, whenever a pulpit becomes vacant, be terminated upon due notice by the session or the parish associate with the approval of presbytery.
