

Transitional Ministry Reviews and Reports

Transitional Pastors are required to file a report of their work every six months with the COM Task Force on Transitions in Ministry. The six-month report will then be filed in the church's permanent file (in Presbytery office). These reports will be available to be shared with the next installed Pastor, or Transitional Pastor (if that occurs).

The Exit interviews with the Session and the former Pastor will be filed in the church's permanent file. These interviews (Session and former Pastor) will have limited access to the Presbyters and COM Chairs.
