The USA MISSION EXPERIENCE SPEAKER:

Carolyn Platt McBurney

Our Mission Speaker, Carolyn McBurney and her husband, Bruce, have just relocated to Glenwood Springs, CO as Bruce accepted a call as pastor of First Presbyterian Church after serving two yoked churches in Wyoming. Carolyn is retired from a range of professional endeavors including television marketing, a consulting business, and office and theatre management. Before her retirement, she worked for 13 years as office manager of the Presbyteries of Grand Canyon and de Cristo in Arizona. She remains active in theatre as much as possible in addition to involvement in Presbyterian Women where she served as Moderator of the Presbyterian Women of Wyoming and on the Coordinating Team of the Synod of the Rocky Mountains. At the Churchwide Gathering in August, she will join the National PW Board as Search Coordinator for the Western US. In 2023, she attended the Commission on the Status of Women (CSW 67) at the United Nations in March and as a member of the PW USA Mission Experience to the Arizona/Mexico Border. Following these trips it is her goal to share what she learned in these life-changing experiences.
